[Save & Next](#) [Cancel](#)

Enter all of your personal information, then click **Save & Next**.

ADD INSURANCE INFO

Add Insurance Info

Insurance Information - Step 2

Do you have health insurance, medicaid, or medicare?*

Services are paid for by private insurance carriers or respective government programs. Patients will not be directly charged for any services.

☐ Yes

Insurance Company Name*

Insurance Carrier*

Insurance Payer Id Number*

Insured ID*

Insured group ID*

IF YOU HAVE INSURANCE:

Select **Yes**, then input your information from your insurance card.

IF YOU DO NOT HAVE INSURANCE:

Select **No**. You do not need to enter any additional information here.

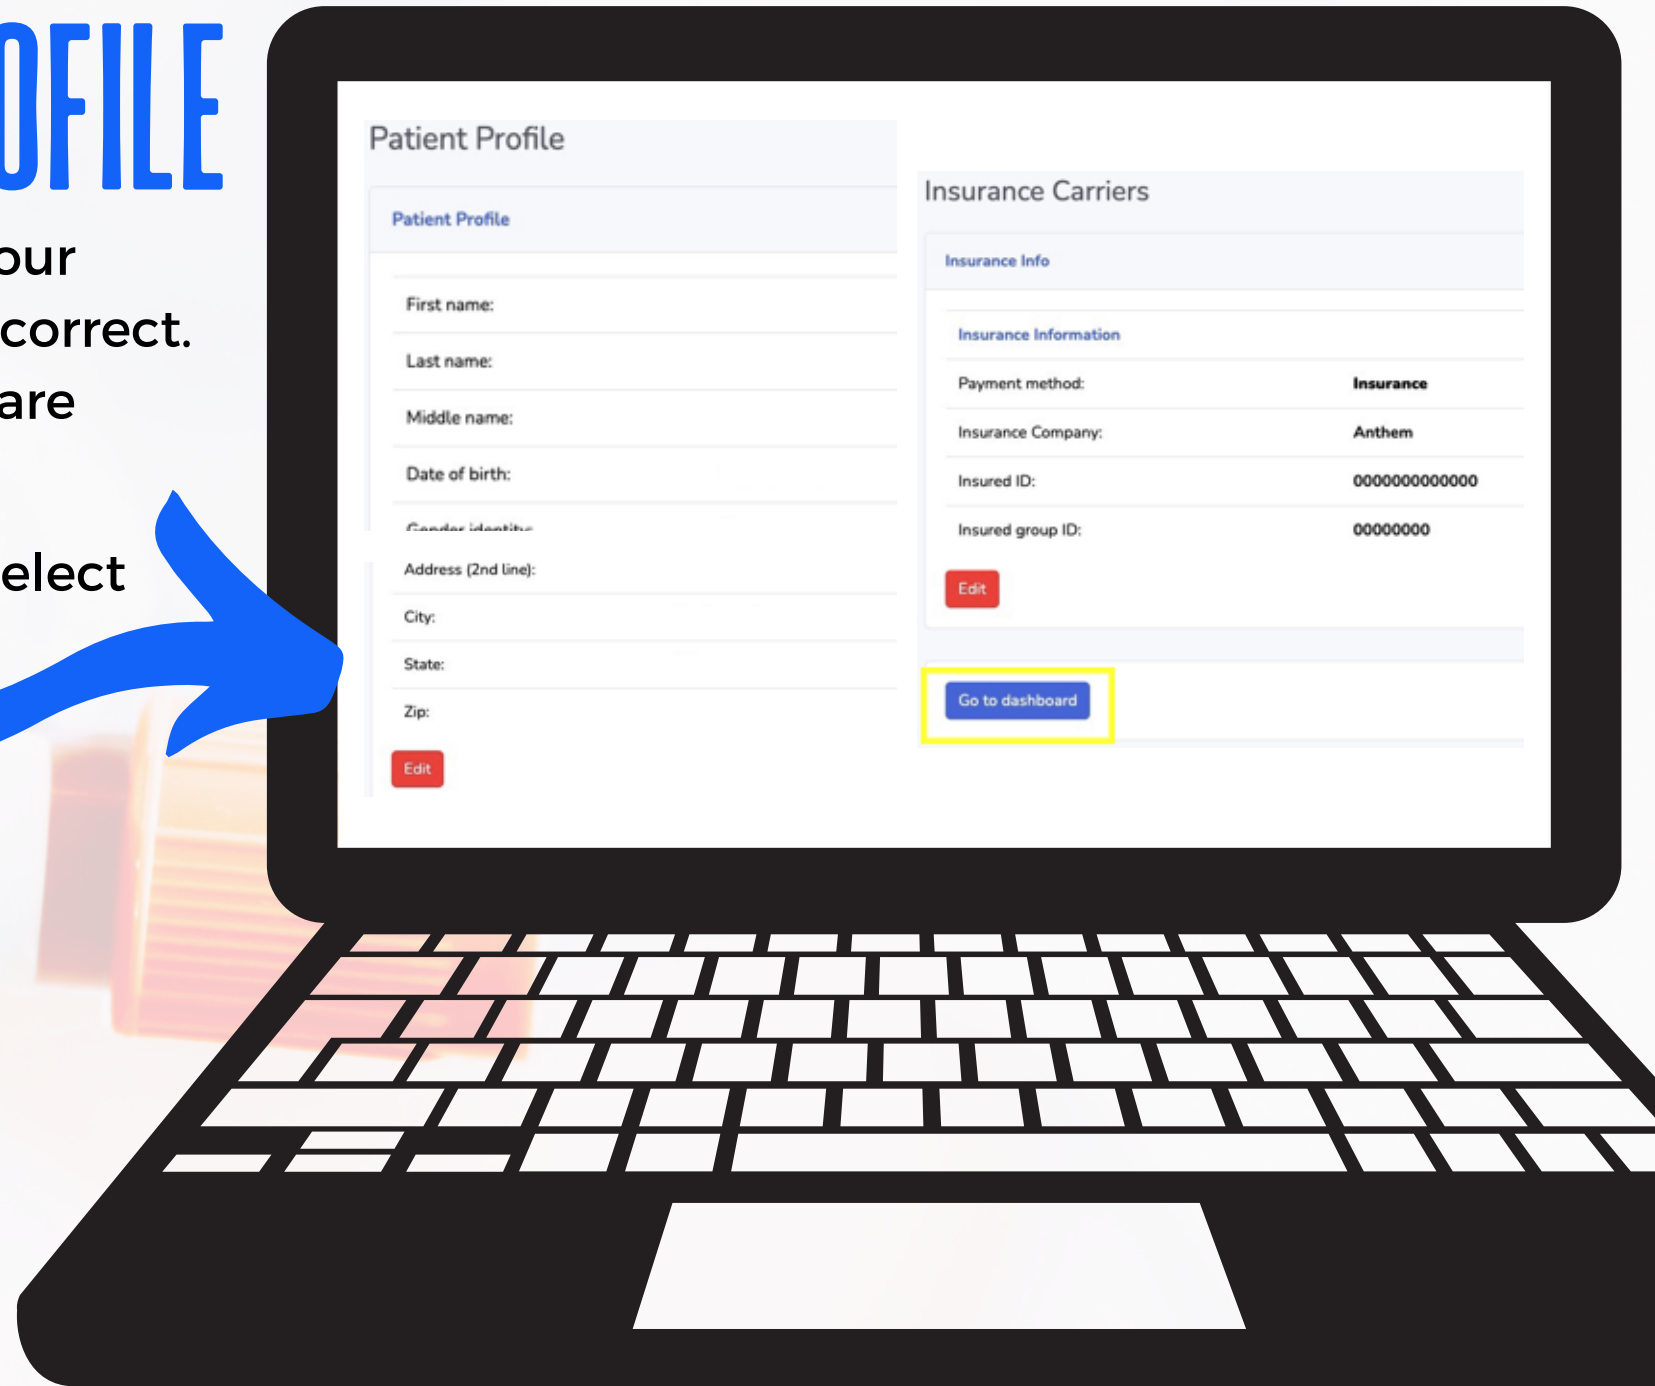

*Patients who are uninsured or undocumented are still eligible for testing. *Some restrictions apply.*

Once completed, click **Save & Next**.

VIEW PATIENT PROFILE

Review all of the information in your patient profile to ensure that it is correct. You can click **edit** if any changes are necessary.

After verifying your information, select **Go To Dashboard**.

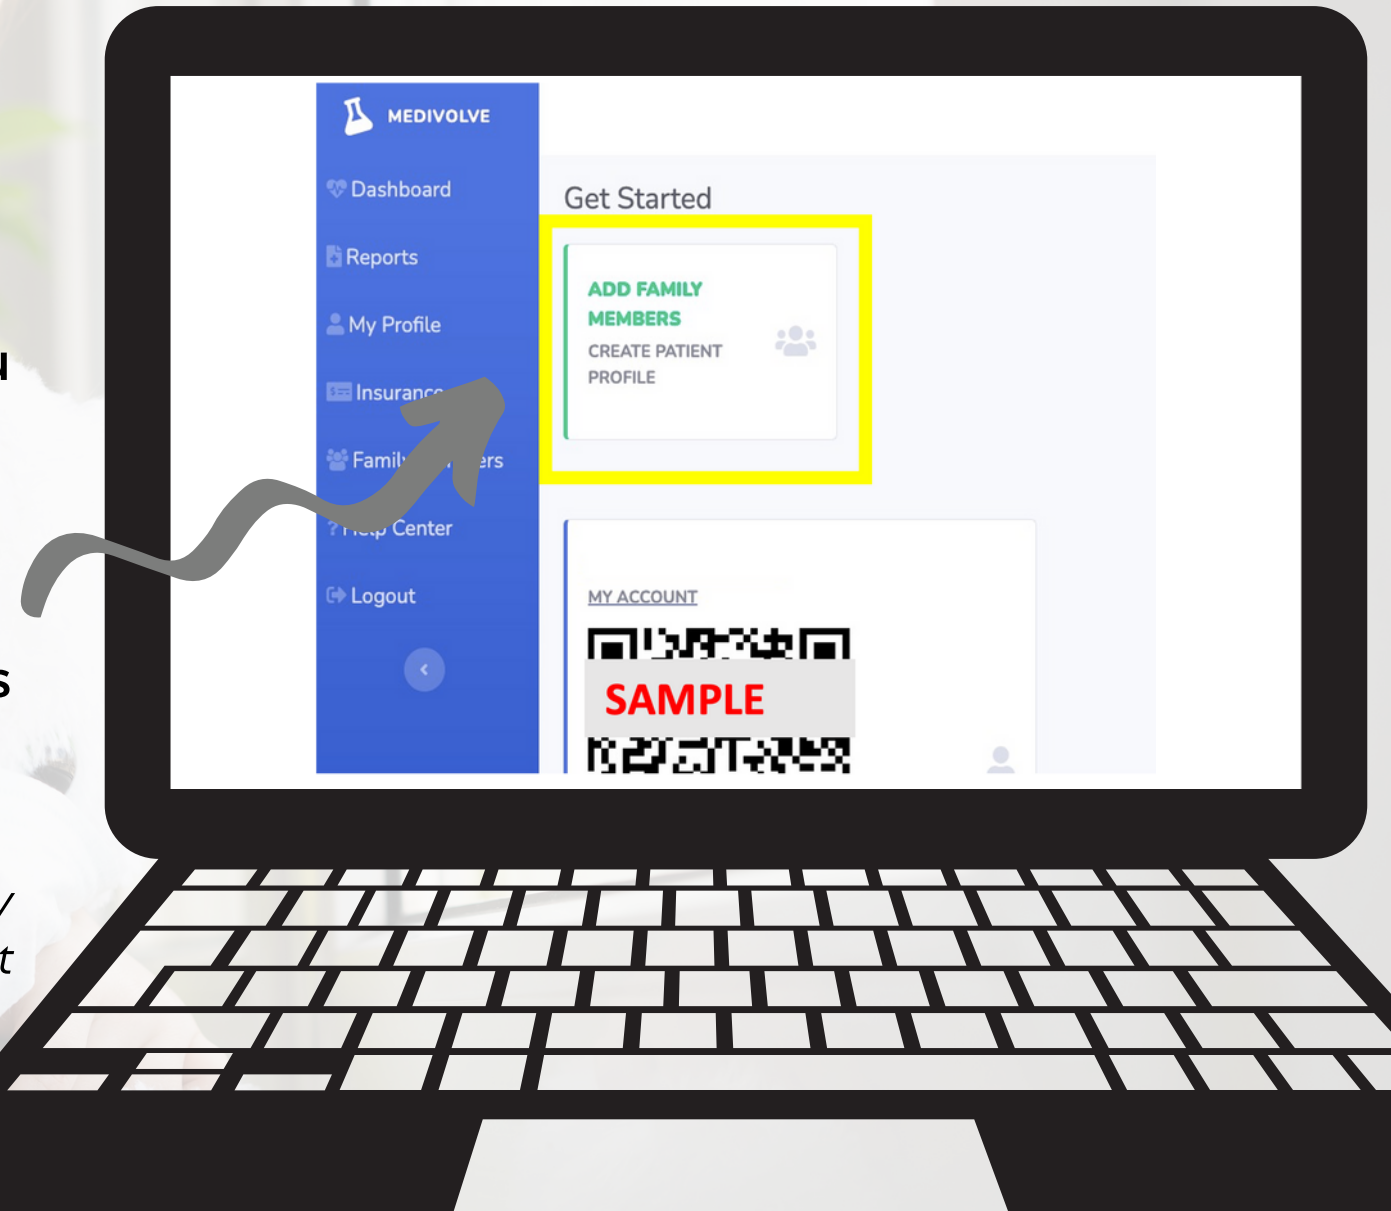

RETURN TO YOUR DASHBOARD & ADD FAMILY MEMBERS

Once you have returned to the Dashboard, you will see your unique **QR code and Patient ID** associated with your profile. This is a way for our medical staff at the testing facilities to identify you and locate your Medivolve account.

You may also click **Add Family Members** from your Dashboard. All family members may conveniently be connected to the same account.

*If you choose to share an account with your family members, please note that each individual patient **MUST** have their own profile created.*
